## Use Simple Words

- Use simple words.
- Use short sentences.
- Use small paragraphs.

## Use Only Active Voice

Active voice is easier to understand.

It takes 25% more time to understand a sentence in passive voice than in active voice.

## Use Only Direct Speech

It is easier and quicker to understand direct speech. It requires less brainpower and less concentration to understand direct speech. That is why all novel writers use direct speech.

Use only "WILL". Just this simple rule eliminates any doubt and removes any hesitation, so you can speak confidently.
